

## Chemical Services Waiver Form

I, \_\_\_\_\_, request a service performed by Thereasa Dougan, a licensed stylist at Studio Fresh.

It is important for the client to understand that the darker the hair color initially is, the harder it will be to lift to a blonde and that it may not be a onetime process to achieve desired results, thus estimating the number of hours it will take and iterations maybe difficult. Based on the stylist's skills she will try her best to lift as light as the hair will take, tone, and cover with lighter color if needed. The Studio Fresh shall not held responsible for any adverse effects or for less than desired results. There are no refunds for time and materials. Time will be billed out at the rate of:

\$ \_\_\_\_\_ per hour

Materials will be the products consumed during the service. Client must also understand hair may feel dry, brittle, or mushy with the chance of breakage and that there will be more maintenance involving the care of her hair afterwards such as deep conditioning treatments and more use of professional products. This release exempts any satisfaction guarantees offered as blonde has very different results on different types/colors of hair. Client understands that bleach strips the hair of its protein and the option of going back to a darker color is not possible within the first couple of weeks of bleaching.

The client, by signing below, agrees to have read, understood, and accepts the terms of this contract.
